

Coil Hook with Counterweight CERTEX

Product information

CERTEX

Coil hook for lifting and handling of coils and similar loads with a center of gravity below the tine while transport.

Design: Lifting eye, handle, rounded tine, counterweight (only for positioning the empty coil hook to improve balancing and positioning).

... [Read more](#)

Note: The center of gravity of the coil must always be below the crane hook slightly toward the back of the coil hook. The tine tip will face upwards (ideally approx. 3°) to achieve an acceptable

Coil Hook with Counterweight CERTEX
