

## Anti-Slide Mats CERTEX

### Product information

**Typical applications:** CERTEX ANTI-SLIDE mats for use with tie-downs.  
Anti-slide mats increase the coefficient of friction in the computation of the necessary lashing forces.  
In according to VDI and other guidelines thereby the number of necessary lashing can be reduced hereby clearly.

Coefficient of friction  $\mu$  0.6

Part code	Length mm	Thickness mm	Width mm	Delivery time
